Rolled Alloys, LP

END USER CERTIFICATE For: RA Order#: _____ PO# _____

In order to comply with United States Export Law, specifically *Export Administration Regulations* “E.A.R.”; *Part 732.1, Part 736 General Prohibition numbers 4 & 5, and Part 744*, Rolled Alloys is required to obtain End Use / End User information prior to all material being exported from the United States of America. Your cooperation in helping us comply with these laws is appreciated.

Thus, to assist us in achieving on time delivery on your order, please complete and return the following End Use / End User information at your earliest possible convenience.

Information needs to be as specific and detailed as possible.

1. This certificate is appropriate to products, components, and/or equipment (referred to as “items”) subject to the Export Administration Regulations (EAR).
2. We _____ have ordered the items below:

(use additional sheets for more items)

3. We certify that the items (check the box(es) that apply) :
 - ☐ Will be used by us as capitol equipment
 - ☐ Will be processed by us into products
 - ☐ Will be resold by us in the form in which it was received
 - ☐ Other: _____
4. We declare that the items (in the form received and/or incorporated into other products) will not be destined to any embargo countries according to the EAR part 746 and any applicable US Department of Treasury regulations (31 CFR part 500 et. seq.)
5. The items above will not be used for any purposes connected with chemical or biological or

nuclear weapons, irradiated special nuclear or source material, heavy water production, separation of isotopes of source and special nuclear material, or fabrication of nuclear reactor fuel containing plutonium, or unsafeguarded nuclear facilities, or missiles (including rocket systems and unmanned air vehicle systems), nor will they be resold if we know or suspect that they are intended or likely to be for such purposes.
